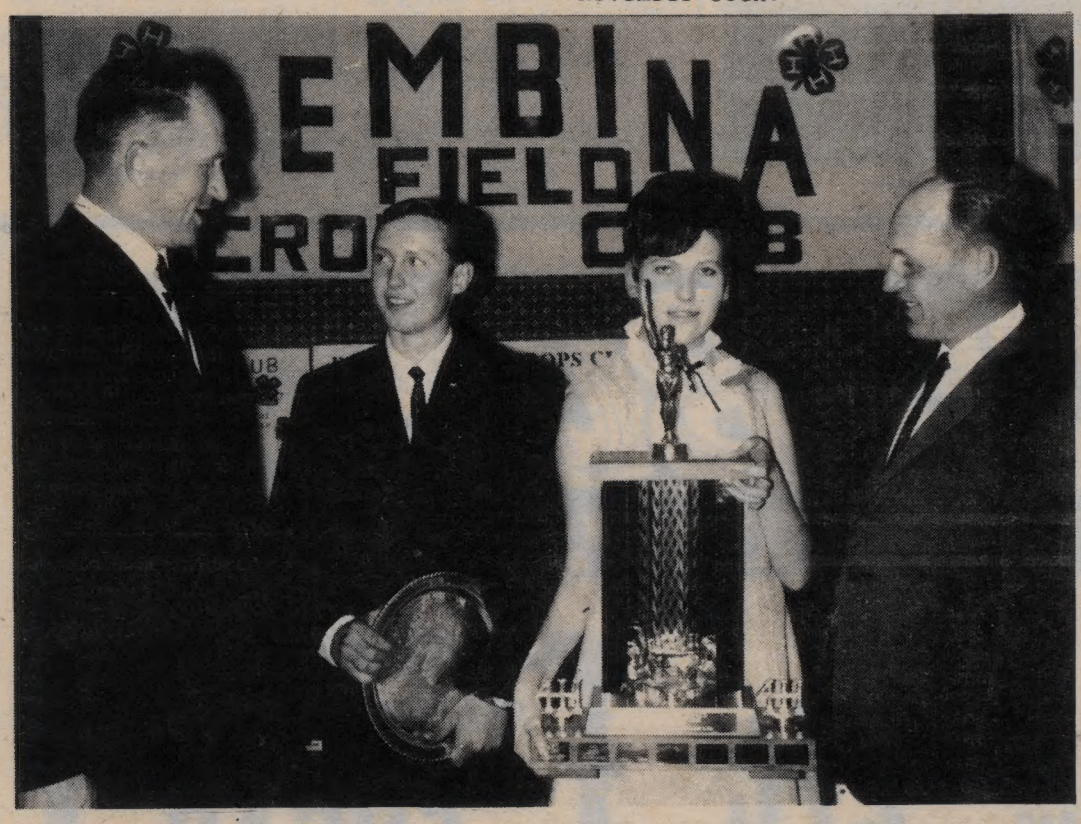
BUSINESS PLACES OFFER TREASURE HUNT PRIZES

November 14th to 30th are Treasure Hunt days in Drayton Valley with 35 participating business places offering a variety of prizes to lucky shoppers.

The game is easy to play. Elsewhere in this paper is a numbered certificate. Bring the certificate shopping with you and see if your number matches any of the numbers on tagged prizes in Drayton Valley business places. If the numbers match, you win the prize.

A new series of numbered coupons will be issued on November 20th and 27th and the big hunt for treasure will end on Saturday, November 30th.



Rusty Zander (L) Reeve of Stony Plain M.D. and M.L.A. Ralph Jespersen discuss 4-H activities with two of the Lobstick Beef Club winners. Larry Rosadiuk was the winner of a trip to the National 4-H Conference this month and Shirley Hutchinson was a delegate in August on a trip to Montana.

Two District Youths Attend National 4-H Conference

An indication of the enthusiasm, interest and high quality leadership in 4-H in this part of the province is well illustrated by the fact that two young people from this area are among 14 delegates selected from all over Alberta to attend the National 4-H Conference in Ottawa and Toronto this month.

Last week we reported on Lucas Piskunowicz's trip to Eastern Canada and have since been informed that 19 year old Larry Rosadiuk of Evansburg is also one of the Alberta delegates.

Larry and Lucas will leave by air on Thursday for Ottawa. The group will spend two days in Ottawa before moving on to Toronto. In both cities they will be treated to a great variety of interesting events.

The visit to Ottawa will be highlighted by the presentation of Canadian Citizenship papers to the delegates by Govenor General Roland Mitchner.

Larry started in 4-H at the age of twelve and after this year will become an assistant leader of the Lobstick Beef Club. He is now attending the University of Alberta taking second year agriculture.

He has been a member of the Lobstick Beef Club, the Pembina

Remembrance Service Held Here Monday

Remembrance Day services were held in Drayton Valley, Monday, November 11th, with quite a large number in attendance at the Cardium Theatre.

Veterans and Auxiliary, Air Cadets and members of the Cubs, Scouts and Guides organizations marched to the theatre from the Legion Hall led by scarlet-coated members of the R.C.M.P.

Taking part in the service were Father E. Lynch, Rev. E. Martin and Rev. D. Mohr. Organist was Mrs. Irene Braybrook and the service was conducted by W. Johanneson.

Taking part in the wreath laying ceremony were: Mrs. W. Durham, for the mothers; Mayor H. Shimbashi, for the Town of Drayton Valley; Mr. Ted Oscar, for the Government of Alberta; and Mr. J. Tyler, for the Stony Plain School Division.

Following the service the parade marched back to the Legion Hall for dispersal.

"Do you realize what time it is, daddy? Why don't you let Freddy go home?"

Mayor Dr. Henry Shimbashi lays a wreath on behalf of the town at Remembrance Day services in the Cardium Theatre Monday.

Tom Johnson Heads Constituency Assoc.

Annual Convention of the Stony Plain Constituency Social Credit Association was held on November 2nd at the Community Centre Stony Plain.

Constituency executive was elected as follows: President, T.W.D. Johnson, Drayton Valley; lst vice-president, Mr. W. Kuhl, Spruce Grove; 2nd vice-president, W. Rose, Drayton Valley; 3rd vice-president, G. Martin, Carvel; Sec. Treas. S. Ibsen, Spruce Grove; chairman of organization, Dr. H. Shimbashi, Drayton Valley.

The Drayton Valley Social Credit Association had met earlier the same week and elected new officers. Several delegates from this area were present for the Stony Plain Constituency meeting.

Several changes in long established practice came out of the November 2nd meeting in Stony Plain. Major resolutions passed were a change in meeting place for the next annual meeting from Stony Plain to Drayton Valley and a proposal to change the name of the association, which will be voted on at the next annual meeting.

Twenty-five delegates were chosen to attend the provincial leadership convention in Edmonton December 4th to 6th. Thirteen of the delegates will come from the western area of the constituency.

Ralph Jespersen, M.L.A. addressed the gathering and outlined characteristics delegates should look for in choosing a new leader. He also gave a brief resume of each of the leadership candidates as he views them.

Mr. Jespersen stressed that delegates should choose wisely and weigh all aspects of the candidates abilities because the man they choose will be the new premier of the province.

At the Drayton Valley meeting on October 29th Dr. H. Shimbashi was named president of the local association. Tom Johnson was elected Vice-president and Bill Tuttle, Secretary-Treasurer.

Mr. Jespersen and Mr. Stuart Ibsen of Spruce Grove were present at the meeting in Drayton Valley.

Dr. Walter Buck, M.L.A.

LEADERSHIP CANDIDATE TO VISIT DRAYTON

Dr. Walter Buck, MLA for Clover Bar Constituency and a candidate for premiership of the province, will visit Drayton Valley on Monday, November 18th.

A noon luncheon meeting in the Cardium Room is planned to allow members of the local Social Credit Association an opportunity to meet Dr. Buck, a 37 year old dentist from Fort Saskatchewan.

Others who might like to meet Dr. Buck are welcome depending on the availibility of space. If you would like to attend please contact Dr. Henry Shimbashi, president of the local Social Credit group.

Couple Die In Accident

A multiple collision on Highway 57, about a mile east of the Buck Creek corner, last Friday night took the lives of a young couple from St. Francis.

Killed in the accident were Harvey Julius Helm, 27, and his wife Elaine, 24 years. They are survived by one son.

Two trucks and two cars were involved in the accident as well as the Helm vehicle.

A combination of fog and ice made driving treacherous during Friday evening, on Highway 57 north and south of Drayton Valley.

ANNUAL MEETING

Annual meeting and banquet of Pembina District Council of the Boy Scouts Association will be held Friday, November 15th in the Alder Flats Legion Hall at 7:00.

Fish & Game to Present Outdoors Movie Saturday

Claimed to be the most enthralling record of big-game hunting ever complied, the full-length movie "Around the World" will be screened for one night only in Drayton Valley. The movie is sponsored by the Fish and Game Association and advance tickets will be available.

The show will be held in the Drayton Valley Elks Hall on Saturday, November 16th at 8:00 p.m.

Filmed entirely in realistic color and full sound, the exclusive movie captures exciting sequences of authentic hunting expeditions in Canada's far North and Alaska, in the teeming wild lands of the Amazon basin, on the torrid African plains and in tiger infested Indian jungle.

The hunts are controlled, with no killing for the sake of killing. In India the objective was a solitary tiger which had taken a devastating toll of human life, and sacred cattle. In East Africa the local inhabitants had been terrorized by a rogue elephant whose destructive escapades included the pulling down of native's huts.

The hunt in Alaska was for a lone bull moose on the rampage, the world record moose.

Throughout the movie there is a purpose behind each thrilling adventure. Absorbing wild life shots are supplemented by detail studies of the habits and ways of life of the peoples visited, and by the visual record of exotic local scenic attractions. Educative values have been kept well in mind by the editors. The film comes to Drayton Valley after a well received tour of the U.S.A. and B.C., and is now to be shown across Canada.

EDITORIAL COMMENT

Building a Good Future

During the past few weeks the editor of this paper has enjoyed travelling the banquet circuit of 4-H awards nights. Besides enjoying many delicious meals we have become increasingly aware of the importance of 4-H and the many fine qualities being instilled in rural young people by dedicated leaders.

In these times when unruly, unwashed hippies gain so much national news space with protests and objections to conventional society, it's refreshing to find young people in town and rural areas who still retain rational values and goals.

As agricultural technologies advance, 4-H will play an increasingly important role in preparing young people who will continue farming. At the same time, by encouraging good citizenship and initiative it is helping greatly those who will leave the farm to face the complexities of urban living.

Fortunately, the 4-H gatherings we have attended, appear to have a good deal of parental support. The importance of encouragement by parents was pointed out at one of the awards nights when Mr. Bert Kellicut of the Alberta Wheat Pool said, "leaders kindle the fire, but parents keep it going." The enthusiasum we've seen at many gatherings throughout this area indicate the fires are burning brightly.

Save a "Nature" Acre

Brushing of the agricultural area surrounding Drayton Valley continues at an amazing rate and bodes nothing but good for the future of the district.

Despite the fact that plenty of treed area remains, we are a little concerned that many quarters are being cleaned off as slick as a whistle. We realize that a man breaking land is interested in obtaining every arable acre but the possibility does arise that it may not be too many years before some of those clearing now will be back out planting shelter belts.

Without legislation it is hoped that everyone would be interested in leaving a few acres undisturbed for the perpetuation of nature! Without its fine balance we can run into many agricultural problems.

Legislation should ensure however, that the banks of streams, and some distance back from high water level, are left in their natural state as a pollution control measure.

We don't advocate saving brush for the benefit of hunters, bird watchers, party throwers or any other group, but because we've all seen what has happened in many other countries and parts of Canada when man has completely disrupted the natural balance of wild things. We have the opportunity of avoiding it here.

Would You Bet?

The average worker aged 35 has approximately 17,000,000 minutes to live, reports the safety supervisor of the major Alberta utility firm.

Everytime he tries to save a minute by taking a chance, such as beating the red light, passing on the highway when there's barely room, and so on, he wagers all the remaining 17,000,000 minutes in his life.

17,000,000 to one. Are the odds worth it?

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association

ALL LOVE - NO WAR

BY REV. OWEN ISAACSON

In last week's "Viewpoint", we concerned ourselves with the first half of the "All Love - No War" motto, which supposedly depicts the philosphy of a "fragmented segment" of our present society, namely the Hippies. Let us now concern ourselves with the idea of "No War".

Certainly any man who considers himself a Christian, whether he be of the liberal or evangelical persuasion (this writer is the latter), as respecting his theology, will espouse the "No War" philosophy to a greater or lesser degree. Obviously, this would constitute an ideal world condition.

When the motivation for this type of thinking is analyzed, it is discovered that there are many different reasons why this philosophy is held to. Some reasons are quite noble and others are quite ignoble. When war is abhorred because of the terrorism and suffering which encompasses the innocent, this constitutes a noble motivation.

Recently I read an article in the "Reader's Digest", depicting the gruesome terrorism being employed in South Vietnam by the Viet Cong. Obviously tens of thousands of innocent individuals have died as a result of this type of cold, calculated murder. This is an inherent feature in war. What man wants to see children's hands lopped off? What man wants to see a living man's tongue cut out; or a pregnant woman's womb slashed open? What sane man wants to see a young boy have a bamboo rammed through one ear and out the other, and left to die a painful death? If the "No - War" philosophy finds its basic motivation in humanitarian tendencies, it is a noble aspiration and obviously finds much support in scripture.

This motivation, however, is not true in many cases. Another basic reason why men in our western society hopefully, tenaciously cling to the "No - War" philosophy is because of selfishness and materialism. It is the type of motivation that would cause a man to pray "Oh God, cause war to cease and peace to prevail, for the sake of innocent mankind", and really mean; "Oh God, preserve peace and prosperity so that I can continue to enjoy my sin."

This type of motivation finds no support whatsoever in scripture. When nations are materially prosperous and forget God, who has prospered them, they become subjects of God's judgment, which at times is meted out by other nations in war.

The "No - War" philosophy may simply be indicative of a deep need within our present society for repentance. If all men everywhere were to turn to Jesus Christ in humility and faith, being delivered from the penalty of sin and the domination of the sin nature, our "No - War" question would be solved.

Letters TO THE EDITOR

Editor,
The Western Review

Dear Sir:

I read with great interest your editorial on the pollution problem in the October 23rd edition of your paper. You are to be greatly commended for being one of the first weekly editors in Alberta to bring this very serious problem to the attention of the people of rural Alberta.

I am enclosing herewith a publication of the Federal Government which very effectively stresses the problem which is now facing the country and will continue to increase unless effective action is taken. I hope that this booklet may be of assistance to you in your further efforts to bring this problem to the attention of the public.

Keep up the good work.

Yours sincerely

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending November 9, 1968, provided by the Livestock Division, Canada Department of Agriculture,

RECEIPTS	CATTLE-CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	14165	6665	7500	1700	1200
Last Week's	9530	4502	4963	991	162
Same Week 1967	11733	6979	4754	2569	864

SUMMARY

Increased receipts this week were mainly stock steer and heifer calves of good quality and butcher cows. Slaughter cattle were in limited supply except for medium and lower grade of cows. Trade was active, especially on the better quality butcher cattle and good stockers and feeders. Prices opened under a firmer undertone for butcher steers and heifers which sold throughout the week at fully steady to firm prices. There was the odd sale to 26.60 for choice heavy weight steer and to 25.60 to choice heifers. Butcher cows opened fully steady but were selling slightly uneven to 25 lower in closing trade with buyers being more selective as to condition. Good bulls were not too plentiful at generally steady prices. Veal calves were scarce and 50 to $1 higher. Butcher calves were mostly 50 higher for the week. Replacement yearlings and two year old feeders were in short supply selling 50 to $1 higher. A heavy run of stock calves were moving readily at strong prices for the better kinds, a few lots of good stock steer calves sold to 32. Stock heifer calves were generally steady with odd lots at 24.85.

BULK CLOSING SALES

With the financial pinch what it is, many of us are looking at economical meal preparation.

Fish is an excellent buy. It adds delicious variety to winter menus as well as providing good protein.

Fresh frozen halibut steaks are 79¢ a pound right now and have very little waste. 1/3 to a 1/2 pound, will serve one person.

I've been putting them in a greased pan with dressing between the steaks. They've baked in a hot oven at 450 for about each inch of thickness. (Allow about 20-25 minutes total).

The fish is done when it looses its shine and transluscent appearance. It will become opaque and will separate into flakes.

Don't overcook. You'll make it tough and dry.

Serve with lemon juice or tartar sauce.

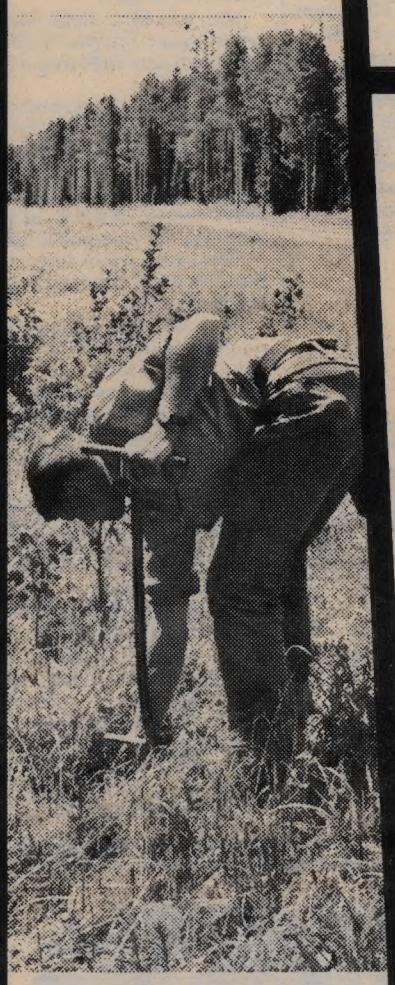
... the man who "passes the ammunition" for the war on grasshoppers?

When the grasshoppers strike, ammunition with which to fight them must be immediately available. As agricultural fieldman in charge of pest control and crop protection in southern Alberta, Jim Archibald stores and supplies insecticides so they will be available without delay to those areas stricken by a 'hopper outbreak. When needed, the insecticides are sold at cost to counties and municipalities for re-distribution to the affected farmers. Throughout the province, representatives of the Pest Control and Crop Protection Branch of the Plant Industry Division, Alberta Department of Agriculture, work to win the war against, not only grasshoppers, but all sorts of pests and diseases which threaten crops. Working with municipal authorities, fieldmen experiment constantly with methods of control against harmful insects, birds and animals, and carry out inspections aimed at early discovery of plant diseases.

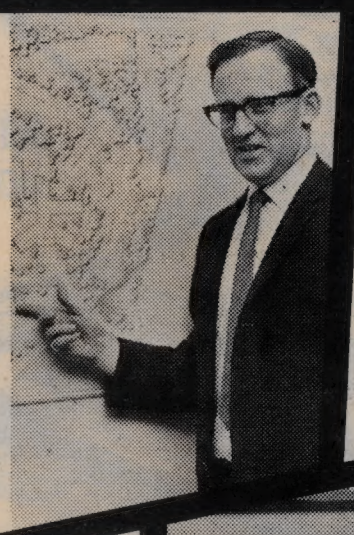
have you ever met...

... a sower who knows he will never reap?



Deep in Alberta's forests, Bob Millar plants trees that will take another three or four generations to mature: trees that may be felled to serve his descendants in the 21st century or that may act as a sanctuary for the preservation of wildlife against an encroaching civilization. John is a part of the reforestation program being conducted throughout the province's wooded areas by the Forestry Service of the Alberta Department of Lands and Forests. This program is part of the provincial policy of sustained yield, which simply means that, for each tree cut down, there must be at least one new one planted to replace it. In this way, generations yet unborn are assured of adequate supplies of timber and recreational forest areas. Future Albertans will benefit from a continuing forest products industry as well, thanks to the initiative and foresight which prompted the reforestation program.

... a developer with designs on government buildings?



No new provincial building, be it hospital, museum, school or office structure, is considered complete until the last blade of grass on the grounds is up and thriving, along with tastefully placed trees, shrubs and flowers. This finishing touch is the responsibility of Allen Jess, acting Supervisor of the Landscape Development Section of the Alberta Department of Public Works. He and his staff of draftsmen produce landscape designs that will enhance the architectural structure and provide the beautiful surroundings which are a distinctive feature of Alberta Government buildings. The Landscape Development Section is just one of the many specialized facilities utilized in the construction and maintenance of the hundreds of public buildings serviced by the Alberta Department of Public Works.

... a money-stretching specialist?

Many rural families in southern Alberta are learning how to make their incomes stretch a little further, thanks to the money management teaching of Mrs. Edna Clarke, Regional Home Management Specialist of the Alberta Department of Agriculture, Extension Division. Mrs. Clarke is one of the many specialists of the Extension Division who are available to advise homemakers on such a variety of subjects as consumer education, food and nutrition, clothing, family life education, and home design. District Home Economists in various regions throughout the province call on the services of these specialists to present discussions, demonstrations and short courses in their areas. Alberta's rural families are kept up to date on homemaking development through the efforts of these members of the Home Economics Branch, Agricultural Extension Division.

... an official who investigates complaints against government?

Anyone who believes he has a grievance against the Government of Alberta, and has exhausted all normal appeal procedures, is entitled to present his complaint to G. B. McClellan, Ombudsman for the province, who was the first Ombudsman appointed in Canada. These grievances, which must be in writing, may be received from individuals or groups, and it is the Ombudsman's responsibility to investigate the authenticity of each complaint. They may relate to decisions, recommendations, acts or omissions made by any department or agency of the provincial government, which the complainant feels to be discriminatory, contrary to law, unjust or wrong. The Ombudsman recommends, at various government levels, remedial action where he feels the complaint is justified. The results of all investigations are reported to the Legislature annually.

... a fingerprint expert, for germs?

Should an Alberta hospital suffer an outbreak of infection from an unknown cause, Miss Shirley Thorsteinson is called upon to identify the bacteria responsible and to trace their source. One such process is called "pyocine typing of pseudomonas organisms" but, basically, it's the same as fingerprinting. At the Alberta Provincial Laboratory, where Miss Thorsteinson is a technician, the germ that causes the outbreak is typed and a search is made for a germ of the same type in the hospital environment. As in fingerprinting, when two cultures match, the identity of the culprit is revealed. This is one of the many free services performed by the Alberta Provincial Laboratories in Calgary and Edmonton for hospitals, local boards of health, health units and physicians. Administered by the University of Alberta for the Alberta Department of Health, the Laboratories also conduct bacteriological, pathological and serological examinations, including cervical cancer smear tests.

Shane Hansen from Drayton Valley spent the weekend with Allen Stewart for Allen's birthday The boys had a very good time. Shane likes the farm and really enjoys the chores and the animals. We hope you will come again soon Shane.

Congratulations to Mr. and Mrs. Herman Dusterhoft on their 23rd wedding anniversary. The family celebrated with a supper Sunday. Mr. Dusterhoft gave Mrs. Dusterhoft a 1969, fire engine red, Meteor car for an anniversary present. May you have many happy miles folks.

Robert and Earl motored to Three Hills on Friday to pick up Robert's 4-H calf. The calf is a Charolais - Hereford cross. It was born in April and now weighs 630 lbs. Just after they crossed the river on Highway 57 the slippery roads caused a truck to hit the Rasmussen truck, but they were able to continue their journey and bring back Robert's calf. We are sorry your truck was damaged but we are glad you are both not hurt. We hope you have better luck with your calf now that you have him home Robert.

The Herman Dusterhoft farm is a busy place these days, they have two crushers working in their gravel pit. Pembina Sand & Gravel are crushing for Pan American and Lloyd's Construction from Rimbey is crushing for the Dept. of Highways.

Congratulations to Mr. and Mrs. Woodruff and Mr. and Mrs. Armand Brisebois who celebrated their anniversaries on November 14th. This will be 32 years together for Woodruff's and 11 years wedded bliss for Brisebois'. We wish you all many happy years to come.

Terry Blake and Colleen Stewart attended the Remembrance Day services with their guide pack on Monday, November 11th. Donna Kelly was unable to join them because she was just getting over the flu. We hope you are feeling better now Donna and can make it next year.

Happy birthday to Jerry Kos whose birthday was November 7th. Also happy birthday to Lee Darragh November 13th, Jerry Rybak November 14 and Mike Blatkewicz November 18th. A big happy birthday to Ramona Rasmussen on November 12th.

Mr. and Mrs. Mike Kurylo and Mrs. Jim Kurylo of Edmonton were Sunday visitors at the Bob Blake home

Chip Lake Farmer U.F.A. Delegate

A prominent Chip Lake district cattleman, Gilbert R. Getson will represent the Drayton-Edson area at the annual meeting of United Farmers of Alberta in Calgary, November 13th, 14th and 15th.

Mr. Getson raises Aberdeen Angus registered cattle on his farm at Chip Lake and has been a frequent agricultural fair winner.

He will be among more than 70 delegates and directors to whom U.F.A.'s board of directors will report on co-operative's sales and earnings for the year ended July 31st, 1968. The meeting will also be asked to approve distribution of patronage dividends and cash rebates.

C.W.L. Holds Regular Meet.

On November 4th the C.W.L. meeting was held with 14 members present.

The opening of the new addition to St. Anthony's school will be November 26th at 8:00 p.m.

Sister Onna Chouinard will be coming here on December 2nd at 8:30 p.m. She'll be showing slides of her work with the lepers in Africa, in St. Anthony's school.

The lunch committee was Cecile Cebuliak, Gil Hansenclever and T. Comeau.

"Terrific" was the attendance at our annual steak barbeuqe supper and dance, held in the community hall Friday, November 1st. This year was the largest turnover since the beginning of our annual celebration and fund raising endeavors.

We sincerely appreciate those coming from such distances as Edmonton, Wetaskiwin, Drayton Valley, Winfield, and those attending from the surrounding districts.

Again this year the steaks were most delicious with thanks going to Chefs, Carl Bohning, Schuyler Durant and Norman Moore. Doing a capable job of attending the refreshment bar for the evening were Bob Wennerstrom and Gordon Shanks. The swinging dance music was played by the "Hillbillies" of Winfield, who were attired fitting to their title.

The social committee would like to sincerely thank those who made the evening a success by helping and attending.

To name a few from out of town, some here just for the supper and dance and others staying the weekend visiting relatives and friends were: Mr. and Mrs. Lloyd Sundberg and Wendy, Mr. and Mrs. John Lee and Phyllis, Mr. and Mrs. Johnny Desjardin, Mr. and Mrs. Dick Wennerstrom, Mr. and Mrs. D. Haire (nee Margaret Wennerstrom), Mrs. J. Seibel (nee Irene Wennerstrom), Mr. and Mrs. Jones (nee Doris Wennerstrom), and Mr. and Mrs. Frank McGregor.

Mr. and Mrs. Dick Clemmer were recent Drayton Valley hospital patients suffering a bout with the flu.

Rev. Leonard Quamstrom from Prince Albert was a guest speaker at the Convenant Church on Sunday. Starting as of November 1st Church services will be held every second Sunday, next service will be November 17th.

The Lars Larsons have moved into the house formerly occupied by his parents.

Mr. and Mrs. James Maciborski were Sunday callers at the Pete Maciborski home.

J.L. Seely and Dane Donnelly bagged their limit of ducks while at Gem hunting for a week, they also came back with two antelopes.

On Wednesday evening Thyra Kellgren had a fair attendance out to her tupperware party demonstrated by Mrs. Wilma Lysachok of Edmonton.

Henry Sluchinsky entered a rink in the Drayton Valley Hallowe'en weekend bonspiel. Curling with Henry were: Skip, Donnie Maciborsky; third, himself; second, Gladys Maciborsky; lead, Verle Sluchinsky. They won two out of their three games so didn't come home with any prize money unfortunately.

Banquet, Awards Night Ends Season for Pembina 4-H Clubs

The 4th annual banquet and awards night of the Entwistle Clothing Club, the Lobstick Beef Club, and the Pembina Field Crops Club was held in the Evansburg Hall last Friday evening, November 8th.

Members of the three 4-H Clubs, their parents, guests and leaders enjoyed an interesting evening that started with a banquet and ended with a dance later in the evening. The event was well attended despite unfavorable weather conditions.

Principal speaker for the evening was Mr. Ed Monsma, Assistant Supervisor of the Alberta Service Corps.

Mr. Monsma, who was introduced by chairman Byron Brown, outlined the work of the Alberta Service Corps in providing opportunities for young adults to work during summer vacations in employment that offered idealistic challenges. The Corps, he said, took the young people to work wherever they were required in communities seeking assistance, mental hospitals, jails and the colonies of native peoples.

Referring to 4-H, Mr. Monsma urged leaders to give young people ever greater opportunities to plan and institue their own programs. Programs, he said, must change with the times and club members should be encouraged to plan programs with adult guidance rather than leadership.

Among others who spoke briefly at the banquet were: Ralph Jespersen M.L.A. for Stony Plain; Fred Fausak of the Evansburg Chamber of Commerce; Myron Nickolayuk; Len Corkery, Mayor of Evansburg; W.H. Earl, United Grain Growers; John Ohnysty, Stony Plain 4-H Council; Dick McCrea, Entwistle Chamber of Commerce; Dave Hayden, Wildwood Chamber of Commerce; Tom Knight of the Alberta Wheat Pool; and Doug Bienert, Regional 4-H specialist.

Following the banquet Ted Bruner summarized club activities and Shirley Hutchinson gave the Montana delegates report.

Six major award winners have come out of the district and they were introduced by Andy Kremeniuk, winner of the 1966 trip to Montana.

John Ohynsty m.c.d the presentation of awards as follows:

PEMBINA FIELD CROPS CLUB

Best Junior Standing Crop, Zane Bruner, who was also presented with a watch by Mr. Tom Knight on behalf of the United Grain Growers, Federal Grain and Alberta Wheat Pool for placing second in the provincial finals; Best Junior Achievement Display, Ted Bruner; Best Plot Poster, Ted Bruner; Best 1st year member, Zane Bruner; Best intermediate Plot, Allan Mazeppa; Best Intermediate Achievement Display, Caroline Rosadiuk; Best Senior Plot, Walter Myschuk; Best Senior Achievement Day Display, Shirley Hutchinson; Best Field Crops Records, Ted Bruner; Best Weed Collection, Allan Mazeppa and Efficiency Winner, Ted Bruner.

ENTWISTLE CLOTHING CLUB

Best First Year Project Book, Debbie Nelson; Best second Year Books, Dawn Brown and Audrey Anderson; Achievement Day Winner, Debbie Nelson; Efficiency Winner, Debbie Nelson;

LOBSTICK BEEF CLUB

Other awards included, Best S.M.V. Poster, Dawn Brown.

Silver trays were presented by the clubs to Mr. William Brenenstuhl and Mr. H.A. Hutchinson in recognition of their many years help to 4-H. District Agriculturist Earl Lowe was also presented with a special appreciation award for his help to the clubs in past years.

Rudolf Zander, Reeve of Stony Plain M.D., presented a cheque to the Entwistle Clothing Club to help with club activities.

Special awards were presented to club leaders and members of the Field Crops Club received medalions for the past season's work.

Entwistle clothing Club award winners from left to right are, Dawn Brown, Debbie Nelson and Audrey Anderson

Pembina Field Crops winners from left to right are, Shirley Hutchinson, Walter Myschuck, Caroline Rosadiuk, Ted Bruner, Zane Bruner and Allan Mazeppa.

Lobstick Beef Club winners from left to right are Kenny Mazeppa, Shirley Hutchinson and Larry Rosadiuk.

The disgruntled young lady was complaining bitterly to her roommate about last night's date.

"Not only did the rat lie to me about the size of his yacht," she said, "but he made me do all the rowing."

CHAMBER REVIEWS ACTIVITIES

Regular meeting of the Drayton Valley and District Chamber of Commerce was held in the Cardium Room at noon Thursday and activities of the association reviewed.

Dave Strocher reported that the farm management and accounting course had been cancelled due to lack of enrolment. It was felt that the late harvest may have kept many area residents from undertaking the course.

If enough interest is shown it is possible that the course may be presented at a later date.

Ken Retallack reported on activities of the Retail Merchants Association and outlined plans for a treasure hunt to be held between November 14th and 30th by about forty participating local business places.

The association has also made plans for Christmas shopping hours and is also planning a children's Christmas party for Saturday, December 7th.

Several other items of business were discussed during the meeting.

An interesting item introduced at the meeting involved activity at the Drayton Valley air strip. Roy Burrows reported that the air strip is now lighted and in operation 24 hours a day. Aircraft, he said, are landing and taking off at all hours and the strip becoming quite busy.

BONSPIEL CORRECTION

In last week's issue of The Western Review it was incorrectly stated that the Canadian Legion mixed bonspiel would be held on Sunday, November 29th. The date should have read Sunday, November 24th.

Members who would like to take part are asked to contact either Don Booker, 542-4167 or Bill Johanneson, 542-3731.

ENTWISTLE NEWS

MRS. E. OLIVER
Correspondent

Mr. and Mrs. Milton Yandt left on October 24 to make their home at Rutland, B. C. The family held a farewell for them and we hope they will enjoy their new home and come back to see us all from time to time.

Mrs. Meg Swinnerton has just returned from Peace River where she was visiting her daughter Jackie and Roy West and family.

Dawson Smith was married on October 30 in the Entwistle Community Church and we all hope they will be very happy. A wedding supper was held for them on November 2nd in Edmonton with all the children.

On November 5th two members of the OORP were presented with Life Memberships to the Lodge. Lady Anna Gylander and Lady Maggie Melvin were the two members who received their certificates from H.R.L. Elizabeth Reid. A lovely lunch was enjoyed by all to celebrate the occasion.

The Entwistle School Students' Union are holding another Pot Luck Supper again this year. The date is November 22nd in the Community Hall. Notices will be sent home with the pupils.

The OORP Tea, Bazaar, Bake Sale etc. will be held on December 7th in the Elks Hall.

Mr. Stan Jevne is in the Drayton Valley Hospital and we hope he will soon be home.

Cattlemen Urged to Report Missing Animals Immediately

If you are missing animals when you bring your cattle back from pastures or leased land this fall be sure to report the losses to your nearest R.C.M.P. detachment immediately.

Harry Link, supervisor of Alberta's Regulatory services, points out that the chance of tracing an animal that has been missing for two weeks or less is much greater than that of tracing one that has been gone for six months. In the latter case it has probably already been shipped out of the province.

The moment a missing animal is reported to the R.C.M.P. a description is circulated to all other detachments and to brand inspectors at all cattle markets in the province. It is not un-common for a brand inspector to pick up missing animals during his routine inspection work.

Anyone missing cattle should first make a thorough search of his area and check with any other cattlemen who have been using the same pasture. The missing animals or animal may have got into another herd without the owner knowing it. If the search proves fruitless, get in touch with the R.C.M.P. immediately. In the event that the missing animal turns up again be sure to report the fact to the police.

Mr. Link also asks farmers and ranchers to help the police prevent butcherings in the field by keeping a lookout for strange vehicles in their area. Anyone who takes the trouble to take down the license number and a description of such a vehicle plus the date and time of night or day that he saw it, could be instrumental in catching the thief and preventing similar incidents.

According to Mr. Link, the number of cattle butcherings in the field is increasing all the time. However, because of insufficient evidence, very few of those reported last year ended in convictions. Butcherings are among the most difficult cases that the R.C.M.P. have to deal with because of the time lapse before they are discovered and because there is usually no evidence left at the scene of the crime.

Rotary Hears Address by Trip Winner

At the Drayton Valley Rotary Club's Ladies' Night last Wednesday in the Cardium Room, John Braybrook, a student at Frank Maddock High School reported on his recent Rotary sponsored trip to Lethbridge.

John was the winner of a local elimination speaking contest and attended the Lethbridge Rotary Club's annual "Something for Young Minds" project.

He travelled to Lethbridge by bus and while there lived with the family of a member of the Lethbridge Rotary Club. The weekend was an interesting round of events to places of interest and social activities.

John gave an interesting account of visits to the Federal Agricultural Research Station, a sugar factory at Picture Butte and the Lethbridge Japanese Gardens. He was introduced by Rotarian Harry Zolmer and thanked for his informative talk by Rotarian Fred Raven.

"I told Herb to meet me here. I'm going for the hat trick!"

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Terry Miskasko will leave soon to reside in Nanaimo, B. C.

Mrs. G. Bates, of Rimbey, visited her son-in-law and daughter Mr. and Mrs. Elmer Schwal for a few days.

People of the district were saddened to hear of the sudden passing of Mrs. Alice Glass. Mr. and Mrs. Glass and their family lived at Rocky Rapids for a number of years and were well known and highly respected. Deepest sympathy is extended to Mr. Glass, Kathleen and Billy.

Mrs. Mary Reynolds, who has been a patient in the University Hospital for the past several weeks, is making a satisfactory recovery and hopes to be discharged in a month. She was hurt in a car accident.

Irvine Dressler was home for a couple of days from his job in Hay River. Fog in the north made the trip back a tedious journey. Various air strips were unusable because of it and it was a two day trip before the plane could land at its original destination.

Mr. and Mrs. Robert Hunter and family spent the long weekend with Mrs. Hunter's parents, Mr. and Mrs. Nick Urchyshyn.

Other weekend visitors we saw were Mr. and Mrs. Burton Kennedy's and Mrs. Daniel Hines visiting her parents. Mr. and Mrs. Ben Herold.

Ricky Dressler is working in Yellowknife this winter.

Miss Margaret MacKenzie is getting settled into her new home.

A golden wedding of interest to many of us will be celebrated early in December when Mr. and Mrs. Stanley Cording, of Blue Ridge, have their fiftieth anniversary. The Cordings have made many friends here over the years when they have been visiting their daughter Mrs. Lief Stordalsvoll, her husband and family.

Rebels Overpower N.A.I.T. Hockey Team

The Rebels won the second exhibition game against N.A.I.T. last Thursday night. They were never in any trouble as they compiled a 4-0 lead before the opposition managed to score.

The young N.A.I.T. team were checked hard by the Rebels throughout the game but skated well and outshot Drayton Valley 29-26.

Pete Zapisocky started in the nets for the Rebels and kicked out 20 shots in the first two periods. Morley Moger who is back in town took over in the 3rd period. He made 8 good saves and allowed the only N.A.I.T. goal.

Barry Ness opened the scoring at 19:03 of the first period. Dan Davie earned an assist as he set-up Barry just over center breaking in and beating a defenceman and the goaltender with a long hard shot to the lower right corner.

In the second period Ken Machan scored Drayton Valley's second goal just three seconds after N.A.I.T.'s Lavassier stepped on the ice after serving a minor penalty. Machan drilled a high hard screen shot from the right point into the upper left corner of the net.

The Rebels first line of Novasell, Dunn and Garding, started the third period quickly and scored at the 55 second mark. Wayne Garding standing at the edge of the crease flipped in a Novasel centering pass from the corner.

Ron Hemmingway scored the Rebels 4th goal on a pass from G. Pankewicz. His shot coming in from just inside the N.A.I.T blue line. Herbert scored for N.A.I.T due to obvious defensive errors by the Rebels. Herbert was left unguarded in front and banged in a puck which was centered from behind the net.

The Rebels have another exhibition game on the 12th of November against Spruce Grove and it will help them prepare for the tough league games ahead. The first league game in Drayton Valley is on Tuesday, November 19th against Camrose.

HOSPITAL AUXILLIARY MEETS THURSDAY

There will be a meeting of the Drayton Valley Hospital Auxiliary on Thursday, November 14th at 8:00 P.M. in the Nurses Residence.

What's going on in that house on the hill?

Our Pilsner label raises many exciting questions, and while we can't answer all of them, we *can* tell you about that house on the hill. It's the House of Lethbridge where we still brew Pilsner Beer slowly and naturally. Is the good old-fashioned way still the best way? No question about it!

U.F.A. Show At Wildwood November 20th

A true Civil War story about the Union Army's youngest drummer boy will be presented at the United Farmers of Alberta Entertainment Night Wednesday, November 20th at 7:30 P.M. in the Community Hall in Wildwood.

The Walt Disney movie Johnny Shiloh tells of an 11 year old boy who, historians and legend say, saved a badly-mauled North from one more disastrous defeat at the hands of the wily General Robert E. Lee and his usually victorious Confederate forces.

The movie is one of three scheduled as entertainment for the general public, United Farmer members and their families. Representatives of the UFA's petroleum division and farm supply division will be on hand with displays and answers to questions about the operation of United Farmers in Alberta. The public will be welcomed by UFA delegates of the area. Coffee, hot chocolate and doughnuts will be served.

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent.

Mrs. Betty McDougall had all of her children and grand-children home over the weekend. Three new half-ton trucks were seen gleaming in the McDougall yard. Don McDougall is sporting a lovely green one. Pete McDougall is the proud owner of an attractive green. Andy Kmyta, Betty's son-in-law is driving a new red and white pick-up.

Mr. and Mrs. Christianson are happy grand-parents of a new grand-daughter. Olva and Olga Christianson are the proud parents. The little girl weighs 6 1/2 lbs and was born on November 1, 1968. She is a sister for Linda and John.

Mrs. J. Cameron has had her father visiting for a few days. Happy birthday to Bev Cameron who was 12 on November 5th. Bev and her friend Joan Fenton celebrated their birthdays together at Joan's home.

Allen Walker is employed on a pipeline at Whitecourt. Connie Walker is still working for Mrs. Sutherland.

Congratulations are extended to Mark and Sophie Chechotko on the safe arrival of their new son. He arrived on October 24, 1968 and weighed 5 lbs. 12 ozs. His name is Robert Kenneth. Gladys, Phil, Debbie and June are proud of their new brother.

Ray and Della Storms had Pat, Ernie and children to visit with them over the weekend.

Gain McCracken left November 4 to take a position of cook in an Indian School at Yellowknife, N.W.T. Danny McCracken was 12 years old on November 5th.

Happy birthday to Linda Reich who was 14 on November 18.. Sharon celebrates her 20th birthday on November 11.

Tom and Doreen Thomeus have returned from a five week trip to Sweden. While there they visited relations of Tom's. Although they enjoyed the trip, they report being happy to be home again.

Congratulations to Mr. and Mrs. Eric Anderson formerly of Magnolia who will have been married 25 years on November 18.

Mrs. Len Williams reports that Sherry, their daughter is doing very well. Sherry is over three months old now.

Harvesting in the area is finally coming to a close. Yields range from excellent to almost non-existent.

The minister was confused at the wedding because of the groom's long hair. So he just smiled at both of them and said, "Will one of you please kiss the bride?"

Quiet minds cannot be perplexed or frightened, but go on in fortune or misfortune at their own private pace, like a clock in a thunderstorm.

Recreation Round-Up

by
Mike Gormley

FOOTBALL FINALS

The Drayton Valley "Little Canadian" Community Football League closed out its activities for the season on Saturday, November 2nd at the Lions West Valley Recreation Park. By the way, the National Football League does not hold a monopoly for teams winning games with big plays in the final minute of a game. Both the games played in the best of three game final series between the Stampeders were won by the Esks in the final minute of play.

After defeating the Blue Bombers 15-1 in a sudden death semi-final the Stampeders went on to give the Eskimos plenty of trouble in the final series. In the first game, the Stamps had the better of the play for three quarters of the game but the Esks came back strong in the final quarter to tie the score and win the game 8-7 with a rouge in the final play of the game.

In the second contest the Stampeders again took an early lead and held a strong lead at half time. Once again the Green team came back to get within reach of the Stamps and won it 19-18 with a touchdown in the final minute of the play.

By virtue of their two victories the Forster Trophy emblematic of the "Little Canadian" Community Football Championship for 1968.

Taking everything into consideration the football season at the "Little Canadian" level was a very successful one. This despite the fact that a period of very inclement weather virtually suspended activities half way through the season for a week or more.

MINOR HOCKEY

The Minor Hockey Program is taking shape very satisfactorily. Players are plentiful and coaches are presently available for every one of the proposed twelve teams which will be playing here this season in our Minor Hockey program.

A great number of registrations have been received at the Mite and Pee Wee levels. In fact we have a full registration in both divisions at present and no further applications will be accepted unless some boys currently registered drop out of the program. Presently we have 90 boys registered at the Mite level and the Pee Wee registration including the Tomahawk team has been cut at 72 boys. These players in themselves would make up enough for quite a Minor Hockey program, but over and above these little fellows we will have between 40 and 50 boys competing at the Bantam level and a Midget team comprised of about 20 boys. There will be no Juvenile team playing out of Drayton Valley this year. So all included we will be looking at some 230 boys playing hockey in our Minor Program this season. Our Intermediate team, the Drayton Valley Rebels will be competing in the North Central Alberta Intermediate Hockey League again this season and the second Intermediate team the Voyageurs will be in operation either in league hockey or on an exhibition basis again this year. Several of the boys of Juvenile age who want toplay hockey will likely turn out with the Voyageur team. The reason that there is no Juvenile team this year is because there were not enough interested individuals at this level to form a team.

The regular schedules for all Minor Hockey competition involving Town and Community leagues, that is at the Mite, the Pee Wee and the Bantam levels, will get under way next week.

The Bantam schedule gets away on Monday evening, November 18th with the first game of the season getting under way at 7:10 p.m. The Pee Wee and Mite schedule are slated to start Wednesday, November 20th. The Mites will have their first game at 5:40 p.m. and the Pee Wees will go on at 7:10 p.m. to start their regular season games. The regular schedule will run until about the first or second week in March and them there will be post season ployoffs at all levels.

1295 Delegates Attend Convention

The Drayton Valley congregation of Jehovah's Winesses was one of 15 congregations in attendance at a weekend circuit assembly held at the Jasper Place Composite High School in Edmonton, November 8th to 10th.

Over 1295 delegates attended from points in northwestern Alberta including McBride, B.C. "One thing that was especially noticeable," said Mr. Tom Moss, the local presiding minister of Jehovah's Witnesses, "was the presence of children with their parents."

"The program was designed with a view to building spiritual values in the family unit so that children can cope with the many problems facing all families today," said Mr. Moss.

The convention concluded on Sunday with a public talk by Mr. Douglas Clegg, a visiting representative from Toronto who spoke on the subject "God's way is love."

THE WESTERN REVIEW
DRAYTON VALLEY, ALBERTA
NOVEMBER 13, 1968

Foam forms a canopy over these two rows of strawberries, protecting delicate blossoms from frost injury. The idea occurred to Dr. David Siminovitch of the CDA's Cell Biology Research Institute in 1957. Since then, foams and machines to apply them have been developed by Laurentian Concentrates Ltd. of Ottawa with financial assistance supplied by the Department of Industry. Tests this autumn at the Central Experimental Farm indicate that the foam will give excellent crop protection at 12 degrees below freezing and in winds of up to 20 miles an hour. It dissolves after 48 hours, leaving no ill effects on the crop.

Clothing Club Names Officers

The Entwistle 4-H Clothing Club held its first meeting on October 23rd at the home of Mrs. Willoughby who is the leader for this year. There were nineteen present counting the three parents.

Elections were as follows: President, Marie Ekroth; Secretary, Debbie Nelson; Treasurer, Sonya Ulvestad; Club Reporter, Gail Brown.

Mrs. Willoughby gave the girls a summary of the coming year's activities. Many interesting changes have taken place, so this should prove to be a very interesting year.

The club decided to send five dollars into the heart fund in memory of Mrs. Jardine who passed away recently.

The next meeting will be held on November 13th, at 4 o'clock at Mrs. Willoughby's home.

Couple Wed At Entwistle

The Entwistle Church was the scene of a fall wedding when, on October 30th, at 8:00 P.M. Mrs. Jessie Brown become the bride of Mr. Dawson Smith of Entwistle. Rev. R. Koehn officiated at the ceremony.

Orris and Dorothy McWillis of Magnolia witnessed the ceremony. Dorothy is a sister of the bride.

Lunch was served by Mrs. Ernie Smith of Entwistle and a wedding reception for about thirty guests was held at the Riviera Hotel in Edmonton, Saturday evening, November 2nd.

The bride looked lovely in a light blue dress with matching jacket and a contrasting multi-colored hat. Her corsage was of pink roses and rose buds.

The brides-maid was dressed in a brown suit with a blue hat and matching blue gloves. Her corsage was of tiny pink carnations.
